Dear Families,

Re: Catering Service Update

Further to the letter sent to families yesterday evening about our reduced catering service in school, I'm pleased to be able to write to families with a further update.

I'd like to begin by thanking all of our families and learners for being so understanding about the catering difficulties we are currently experiencing within school. The positive support of our entire community is much appreciated.

We have, today, been able to source some catering support from an external agency and have led an induction for their staff in the use of our facilities this afternoon.

From tomorrow (Thursday 19th November), a very limited break time menu, of drinks and toast, will be available for learners.

Whilst tomorrow's lunch service will remain the same as today – cold grab bag of a sandwich, cookie and drink – we are endeavouring that from Friday (20th November) the normal lunch menu, of both hot and cold food, will resume. We are also hopeful that the normal break time menu will also recommence from Friday. If this is not possible, then we will contact families again tomorrow.

We apologise for any inconvenience this may cause and appreciate your ongoing support.

Should you have any queries about any of the above then please do not hesitate to contact Dr Potter at school.

Yours sincerely,

Ms F Beach
Head Teacher
