

Year 10 Subject Spanish 'Desconéctate'

You need to be spending **1 hour** per week on this subject.

Activity to complete:

Vocabulary

Your teacher will email you the vocabulary list for the new topic 'Desconéctate' we are learning this term. You should ensure you are learning the vocabulary for each lesson on a weekly basis. For example, week 1 you must learn the 'Qué haces en verano' and 'con qué frecuencia' vocabulary and so on.

In addition to this, create at least 5 sentences using the vocab lists for each live lesson. Please send evidence or bring in when return to school that you have copied the vocab out three times and have created your own sentences.

Active Learn

If you have not had your log in details yet, your teacher will be in touch to help you to access this website where you will find online activities. This website can be accessed via smart phones, tablets or laptops/computer. You do not need to print anything, your work is automatically sent to your Spanish teacher.
