Re: Year 9 Parents Evening

Dear Families

On **Thursday the 11th May**, your child’s subject teachers will be available for consultation from **4.00pm until 7.00pm** to discuss their progress. All meetings will be taking place in the hall so please use the main entrance.

Meetings with each member of staff will last approximately five minutes. Your son/daughter will be required to make an appointment with their subject teachers before Thursday 11th May. If there is a matter that is likely to take longer then please arrange a separate appointment, with the teacher concerned, for another time or with Mrs C Summersgill their Learning Lead. We have attached to this letter an appointment sheet please advise your son / daughter which time slot suits you most. We ask that where possible you keep to your 5-minute slot to avoid appointments running over.

We look forward to discussing your son/daughter’s progress and working together to share how we can further increase their success at Astley Sports College. It is an excellent opportunity to discuss how your child is progressing and how to ensure they make informed choices for their future. Should you be unable to attend on this evening but would still like the opportunity to discuss your son/daughter’s progress / options, please phone the college and ask to speak with his/her Form Tutor. I will also be available to discuss progress and welfare, as will other members of the Senior Leadership Team if required.

Please return the slip below to your son/daughters Form Tutor.

Yours sincerely,

Mrs P Parker
Deputy Headteacher
