

Year 10 Subject Music

You need to be spending **2 hours** per week on this subject.

Activity to complete:

As a class/in groups you are going to work towards creating your own CD. Each person will have a job to complete – performer, composer, designer etc.

I have emailed separately a workbook for you to start going through.

You are to complete page 1 lesson 1

Page 2 lesson 2 etc

Some will need researching more than others – many are just common sense

Live lessons will guide you into what we are doing etc and which pages as we go along!

Work to be submitted to your teacher:

You will need to bring to school all work you have completed either on a paper copy of the booklet or emailed to me -

Method of submission and deadline:

First week back in school

Websites, accessible on a Smartphone, useful to support further understanding:
